For the following questions, you will need to use your reasoning skills!

1. Which **two rests** when added together **add up to 8 beats**? Draw them below.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = 8$$

2. Which **two rests** when added together **add up to 3 beats**? Draw them below.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = 3$$

3. Which **three rests** when added together **add up to 7 beats**? Draw them below.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} + \underline{\hspace{2cm}} = 7$$

4. Extra challenge. Which **four rests** when added together **add up to 3 beats**? Draw them below.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} + \underline{\hspace{2cm}} + \underline{\hspace{2cm}} = 3 \text{ (Hint: there are some fractions)}$$
