

LICENSED EMPLOYEE TRANSFERS

Determining the location where an employee's assignment will be carried out is the responsibility and within the sole discretion of the superintendent or designee. In making such assignments the superintendent or designee will consider the qualifications of each licensed employee and the needs of the school district.

A transfer may be initiated by the employee, the principal, or the superintendent.

It is the responsibility of the superintendent to make recommendations to the board regarding the transfer of licensed employees.
