

LICENSED EMPLOYEE CONTRACT RELEASE

Licensed employees who wish to be released from an executed contract must give at least twenty-one days notice to the superintendent. Licensed employees may be released at the discretion of the board. Only in unusual and extreme circumstances will the board release a licensed employee from a contract. The board will have sole discretion to determine what constitutes unusual and extreme circumstances.

Release from a contract will be contingent upon finding a suitable replacement. In addition, for any resignation up to June 30 there will be a buyout cost of \$500. After June 30, there will be a buyout cost of \$1,000. An employee will not be considered for release from the contract until buyout is paid. Failure of the licensed employee to pay these expenses may result in a cause of action being filed in small claims court.

The superintendent is required to file a complaint with the Iowa Board of Educational Examiners against a licensed employee who leaves without proper release from the board.
