

NOTICE TO BIDDERS

Poured-In-Place Rubber Surface for new playground at Whittier Elementary

**Clinton Community School District
1401 12th Avenue North
Clinton, Iowa 52732**

Deadline for Proposal Submission: Wednesday March 1, 2023 at 1:30 P.M.

Project: Whittier Elementary School poured-in-place rubber surface after the new playground equipment is installed located at 1310 2nd Avenue South, Clinton, Iowa 52732.

To be completed by: 8/1/2023

The Board of Education of the Clinton Community School District, will receive sealed bids for the rubber surface work for new playground equipment.

Notice is hereby given:

The Board of Education will receive lump sum bids before 1:30 P.M. on the 1st day of March, 2023 at the Clinton Administration Building, business office, located at 1401 12th Ave N. Bids received after this time will not be accepted. Bids will be opened and publicly read aloud immediately after specified closing time. All interested parties are invited to attend.

The general nature of the work is as follows:

Provide all labor, material, and equipment required to provide a poured-in-place rubber surface for the new playground equipment. The surfacing shall consist of an SBR base mat and EPDM wear course with both layers being mixed with a non-flammable, non-shrinking, one part moisture cured polyurethane adhesive as recommended by the manufacturer and capable of bonding to concrete. Surface shall be stable and slip resistant to comply with, meet, or exceed all requirements set forth in the Americans With Disabilities Act (ADA) and the American Standard Testing Methods (ASTM) and Consumer Products Safety Commission CPSC) for manufactured Safety Surfaces as detailed below. All components shall be installed by the manufacturer or its certified installers.

Surfacing within playground equipment use zones shall meet or exceed the performance requirements of CPSC, ASTM F 1292 and/or CSA Z614-98 that a surface yield a Gmax value of 200 or less and a Head Injury Criteria (HIC) value of no more than 1,000 for a head-first fall from the highest accessible portion of play equipment being installed as shown on drawings. Surfacing shall maintain both of those required impact attenuation characteristics for a period of three (3) years and guaranteed against defects in workmanship and material for a period of no less than five (5) years.

The EPDM wear course shall be a blend of 50% Black and 50% Standard Color as chosen by the Owner and as indicated on the Construction Documents. Color transitions shall be full wear course depth. Thickness of wear surface shall be a minimum 3/8".

Installer shall not leave adhesive on adjacent surface or play equipment. Spills of excess adhesive shall be promptly cleaned, and installer shall properly dispose of all material and packing waste before leaving the job site.

The playground equipment installation is expected to be complete by July 10, 2023. All work to follow the provided engineered drawing.

Neither the District nor its agents will assume liability for the inability of a bidder to submit a bid in a timely manner or to the correct location. Bidders bear full and complete responsibility for the timely submission of such bid to the correct location as specified. Bids received after the deadline or at the wrong location will not be considered and will be returned to the bidder unopened.

Bidding Documents may be examined online at www.clinton.k12.ia.us, under the Plant Services Department. Questions can go to Paul Dotterweich - paul.dotterweich@csdkq.org.

Bids will be required to be submitted under a condition of irrevocability for a period of 30 days after submission.

This Project is tax exempt. Do Not include Iowa State Sales Tax in any calculation of Bid totals. Contractors and Suppliers will be provided an Iowa sales tax exemption certificate for this Project. Further consideration of the Bids received and award of contract or other action may be made by the Board of Education of the Clinton Community School District upon proposals received in accordance with law and plans and specifications at its meeting to be held at 5:30 PM on the 6th day of March, 2023 in the boardroom of the Clinton Community School District, located at 1401 12th Ave N.

The Board of Education reserves the right to accept or reject any or all Bids, or any part thereof, and to waive informalities or irregularities allowed by law and to enter into such Contract or Contracts as may be deemed in the best interests of the Clinton Community School District.

All bids will be governed by applicable provisions in the Iowa Code and Clinton Community School District policies, including its Non-Discrimination Equal Employment Opportunity and Affirmative Action Policy. By order of the Board of Education Clinton Community School District Clinton, Iowa

By: Michael House, Board President
Attest: Cindy McAleer, Board Secretary
