In preparation for the 2021-2022 school year, we are asking parents to log in to your parent portal account to review and update your student and family information. Once you are logged in to the portal, the instructions will be listed under District Announcements on the main page. Registration for the 21/22 school year begins on July 5. Check our website at www.clinton.k12.ia.us for the link.

Student Drop off: Please help us keep your children safe by staying in the single file drop off lane when dropping off students in the morning. It only takes a minute or two to stay in the line and follow it through and increases safety for our students. As always, if you need to park and come in to the building, please pull into a parking space. We ask that you never park along the curb.

Please notify the office if you are moving over the summer

From Mr. Boyd: Wow.....what a year! Despite the craziness of our 5th graders beginning the year at Clinton High, additional teachers to create social distancing, having our students and staff masked with the highlight of our online experiences being able to see our kids' faces as they did not need to wear their masks – plus so many other things that have truly made this year a unique one – the last days of the 2020-21 school year is upon us. Truly - one of our biggest blessings has been to have our kids be able to spend the majority of the year with us at school.

Being a student or staff member at Eagle Heights is a great thing. Parents you are fortunate to have top quality, caring, dedicated teachers in our classrooms. They work so hard to make their classrooms a great place for your students to learn every day. Our students are cared for, safe, and supported.

As we reflect on the many things that have made 2020-21 a year to remember please reach out and share your appreciation with our teachers for their work to prepare them for next year. Our teachers would welcome and appreciate hearing from you and your kids as you share the impact that they had on supporting the kids as they grew both academically as well as socially.

Eagle Heights has great kids and our teachers work to build on the good character – respect, gratitude, work ethic that you have instilled in them. Thanks for being our partners this year as we worked together with the common goal of helping your kids – our kids – be the best that they can be.....academically and socially. Best wishes to our 5th graders as they transition onto middle school. You will do well – continue to be role models and leaders.

Staff Retirements: Debra Eickert will be retiring at the end of this school year. She's been a first grade teacher with the Clinton Community School District for 25 years. Carolyn Schulze will be retiring at the end of the school year from her preschool teacher position. She's only been at Eagle Heights for one year, but has been with the district for 15 years. Good luck to both these ladies as they embark on their new adventure.

Other Staff Changes for 2021-22: We will be welcoming Megan Gee to Eagle Heights as our new Preschool teacher. She is coming to us from Bluff. We will also welcome Molly Schneklath as a new Special Education teacher. She is coming to us from Zion Preschool. Amber Wetzel, one of our special ed. teachers has taken a new position through the AEA and will not return next year.

Summer Hours: Regular summer office hours are 7:00 – 3:00 Monday through Thursday, and 8:00 – 12:00 on Friday, but we are also involved in training and meetings and we do get some vacation time. If you need to come in, please call ahead (243-4288) to be sure someone will be in the building when you get here. If you get our voicemail please leave a message and we will return your call as soon as possible when we return. School starts again on Monday, Aug. 23.
