Notes:

**those who cannot swim need Coast Guard approved life jackets on July 14th, 21st, 26th and 29th. No life jacket, they cannot go on that field trip.

**Our last trip for the camp season is to Hurricane Harbor in Dubuque. We will have an early start as students will need to be dropped off at CMS at 8:15. We will return to CMS 3-3:15.
